KAITAI PUZZLE LITE
コーラフロート パズル

Instructions

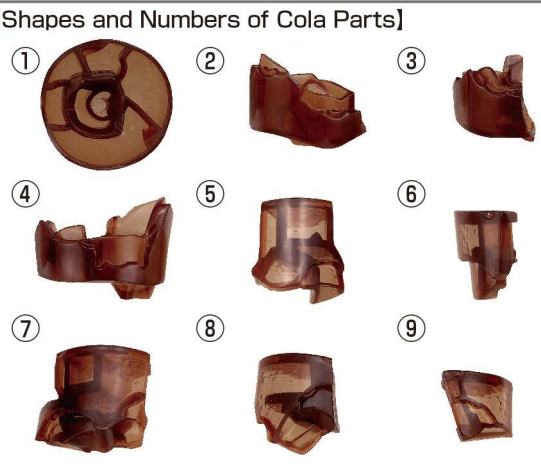

1 ●Assemble the glass parts.

Please cut out the parts cleanly using nippers or similar tools.If any bumps remain on the cut surface, it may interfere with the puzzle play.

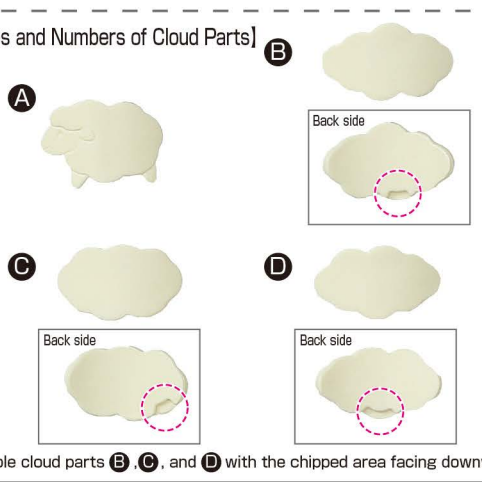

2 ●The cola parts and cloud parts have different shapes. Please refer to the picture on the right to check their shapes and numbers.

[Shapes and Numbers of Cloud Parts]

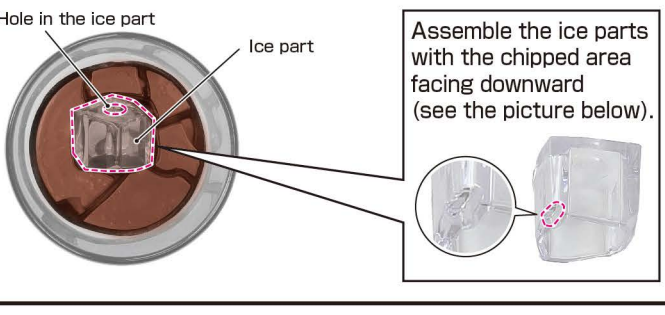

Assemble cloud parts Ⓑ, Ⓒ, and Ⓓ with the chipped area facing downwards.

3 ●As shown in the picture, insert the cola parts, ice parts, and cloud parts into the glass part in order.(The picture shows a top-down view of the glass part.)

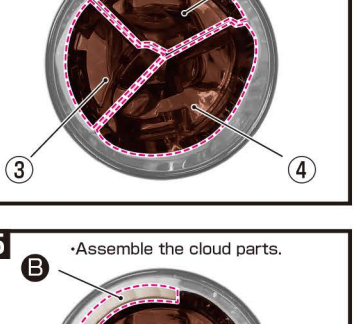

1

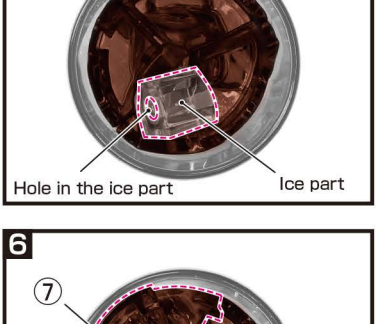

2

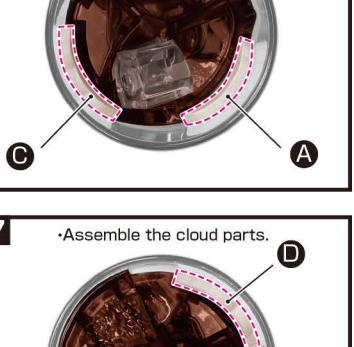

3 Assemble in the order ②→③→④.

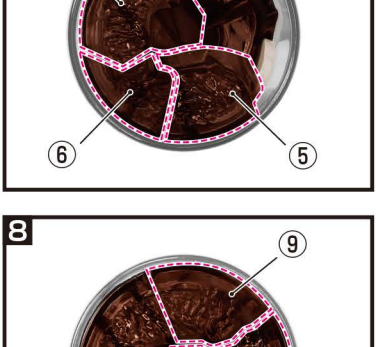

4 As with step **2**, assemble the ice parts with the chipped area facing downward.

5 ・Assemble the cloud parts.

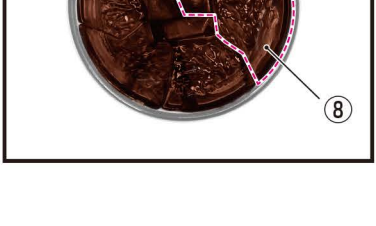

6

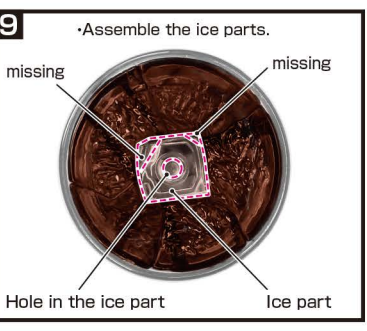

7 ・Assemble the cloud parts.

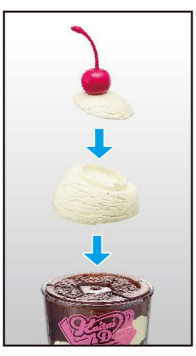

8

9 ・Assemble the ice parts.

4 ●Put the ice cream parts with cherry on top.
Combine the soda parts, ice parts, and cream parts and build the cola.

When it fits perfectly, it's done.

If the parts do not fit perfectly...
・You may have placed the parts in the wrong positions.
・The parts may be misaligned.
・The parts may be oriented incorrectly.
Please check the above.
If it still doesn't fit perfectly, try again from the beginning.

※If a part is difficult to remove during disassembly, leave it for a while, then gently tap it against the palm of your hand to detach it.

About the accessories

Placing the completed cola float on a coaster for display looks adorable!
