

# 和菓子パズル Instructions

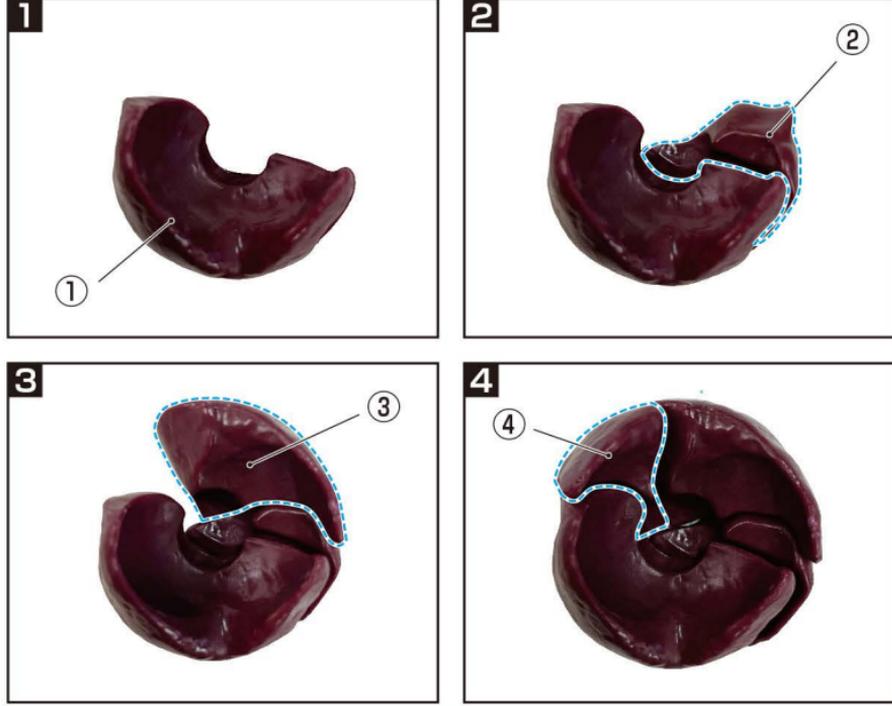

## 1 How to assemble Strawberry Daifuku

● Each red bean paste part has a different shape. Check the shapes and numbers in the picture to the right.

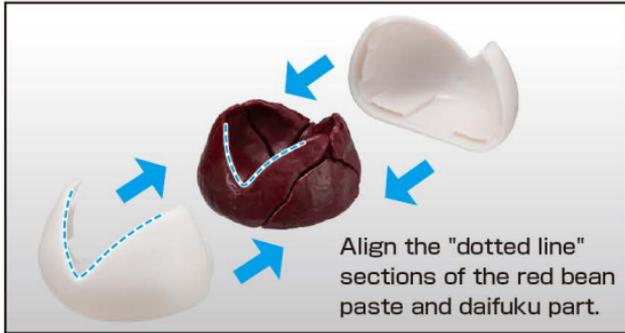

[Shape and number of red bean paste parts]

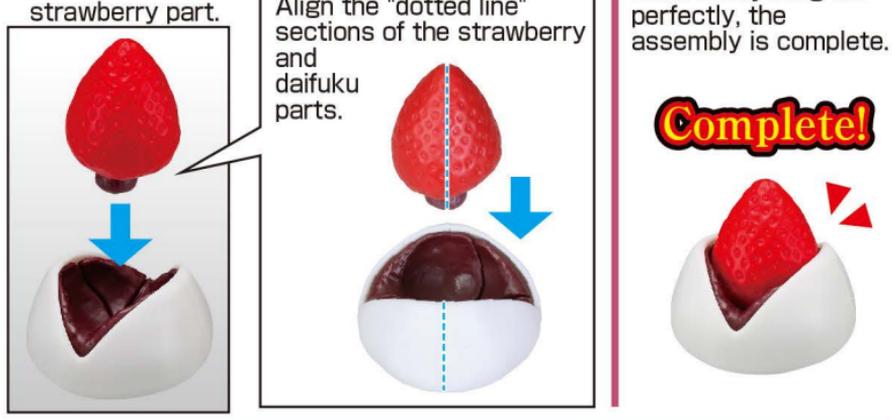

## 2 ● As shown in the below picture, assemble the red bean paste parts in order.

## 3 ● Attach the daifuku part to the assembled red bean paste parts.

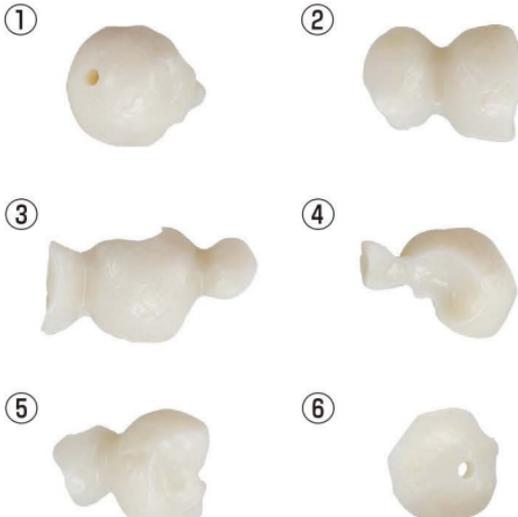

## 4 ● Attach the strawberry part.

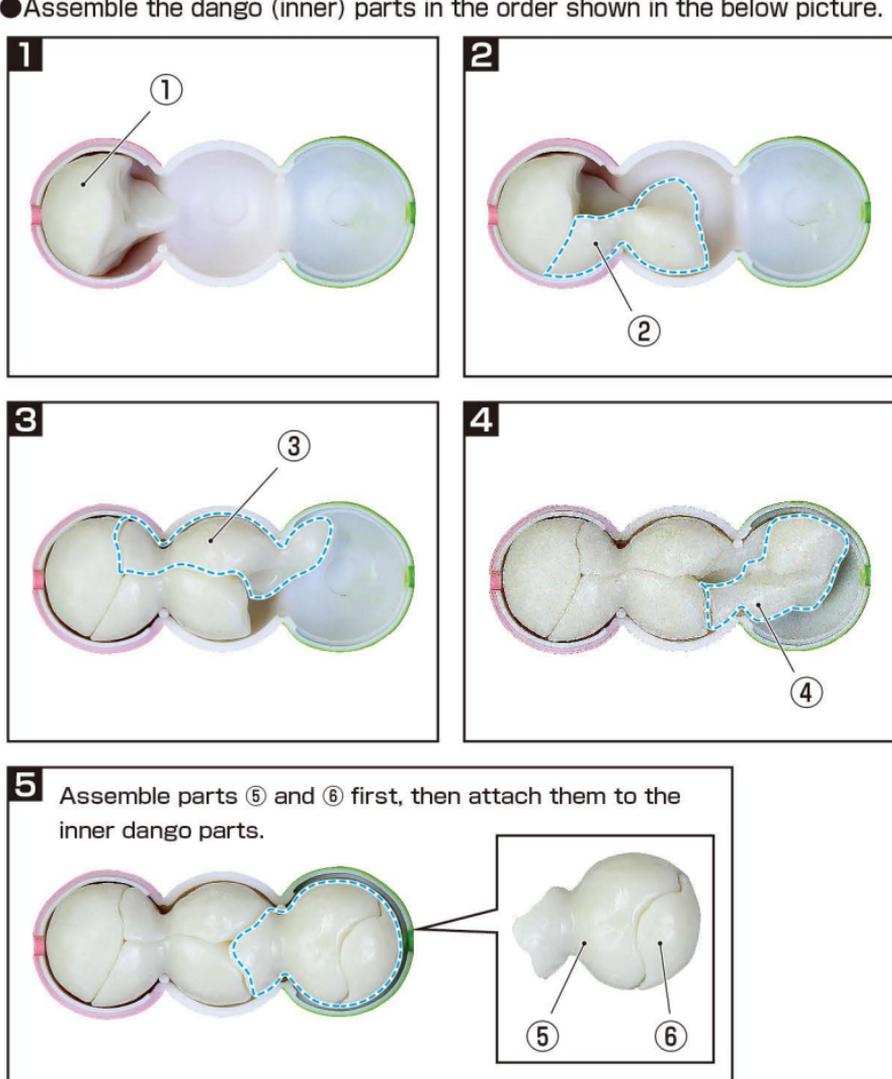

## 5 Assembling Dango

● Each inner dango part has a different shape. Check the shapes and numbers in the picture to the right.

[Dango (inner) parts' shapes and numbers]

## 6 ● Assemble the dango (inner) parts in the order shown in the below picture.

## 7 ● Assemble the outer dango parts.

## 8 ● Insert the skewer part.

If the parts do not fit perfectly...

- The parts may be placed in the wrong positions.
- The parts may be misaligned.
- The parts may be oriented incorrectly.

Please check the above points. If you still cannot complete the assembly, start over from the beginning.

## About the accessories

The finished strawberry daifuku. It's cute when you display the three colored dango on a plate sheet!
